“ My heart is broken of the passing of Duane. He was like a brother to me. I have so many memories locked in my heart of him. From running our dogs, to going to field trials and working together for many years. We had so many good times and he always made me laugh. I will always cherish those memories. He was someone I could always depend on for anything. I will miss him dearly but the memories will never fade. Rest in peace, my brother. Always in my heart. Steve
