“ I do not have the words to express how much I have and will miss you. There are so many memories that I could share. You leaving this world so early in life just confirms that tomorrow is never promised. There hasn't been a day go by in the last 10 years that I haven't thought o f you, worried about you and wished you a happy life. I will always keep you in my heart. Go be with God little one!! Love you always!

“ Nicole was beautiful young lady that was taken away from our lives way to soon...She had the biggest heart, a wonderful soul and the warmest smile...those of us that knew her were blessed ...she was truly loved by her family and true friends and will be missed by all...she meant so much to so many ...the stars will be shining brighter as Nicole is dancing with the Angel's that passed before her...find peace and comfort knowing she is in a heavenly place and that one day we will be with her again...

“ I was so nervous to meet you for the first time. I've never had a sister and Nathan talked so highly of you I was afraid you wouldn't like me. When we met we instantly clicked. You couldn't wait for me to marry your brother and I was so happy to have you in my life. We use to talk daily and sadly life got in the way and we lost contact for a couple of months. I loved you and will continue to. I know you're up there watching over all of us. Rest in piece darling.
