# Tribute Wall

“ I have so many sweet memories of Dale. I especially remember her connection with Larry. He loved her so much. She always fixed him a bologna sandwich with a coke at the store. She slept with his picture and even got him to sing at church. She was a precious soul and I know she will be missed. We will see her again! I am doing my best to be at her memorial service. I love you, my dear June.
