“ Dear Family of Tony Gooch, known to me as "Goocher". I want to convey my heartfelt condolences, and sorrow for your loss. Tony was a valued contributor to the Talkback Forum, and it was there that I came to know him. I will miss him greatly. We will all miss him greatly. I deeply lament that I was never able to meet personally with him, and further share our mutual passion for arms and the shooting sports.

Know that my thoughts and prayers are with you, and with him. His life was a true celebration of all that is good in America, the last best place on earth.

Sincerely,

*Mike Neely,

“ *Denise, Michael*
We count ourselves fortunate and honored to have known Tony- we were always treated like "old friends" regardless of the time or place. His laughter and sense of humor were warm and inviting and his willingness to help others while he was just barely hanging on- cannot be called anything other than courageous. His long fight against cancer showed us all that quitting is never an option- and living is better shared with family and friends as each and every minute that passes becomes just that much more important. Allow us this time to share Tony's memories as family. We are here for you.
