“ I cannot begin to say I know how yall feel or that I understand because I don't but just know my thoughts and prayers are with each one of yall daily. Aubrey was such a sweet person, who always had a beautiful smile on her face. We will never understand why, but know God is in control and she is with Him. I love all of yall and will always have as special place in my heart for the Smith clan!

“ I am so sorry for your loss. Aubrey was one of my first friends. She was so sweet. I'm not sure I can recall her ever being mad. We lost touch after school, but I would see her occasionally shopping. She was just as when we were in school: sweet, kind, and beautiful. I don't understand why this happened, but I pray for peace and comfort for your family during this time.

“ *Aubrey, life with you was so much fun and I often wish to relive our younger days. We could just sit around and make each other laugh till we peed out pants. We always knew how to have a good time. Your life is such a beautiful story and my heart breaks that it has ended! I'm sad that I didn't get to say good bye, but please know that you've always been in my heart and mind. I will forever remember your laugh and happy nature. I love you friend and will miss you dearly.*
