“ *I am very sad to hear of Aussie's passing. I know he is with the good Lord. Aussie was a wonderful man with a kind and caring heart. I became friends with him back in 1995 and remained until his death. Many people don't know all the good things that Aussie did. That was the kind of man he was. I respected him and was blessed to have known him. He gave me much advice and guidance in a time that I really needed it. His life story was amazing, and he was one of the most interesting individuals I ever had the pleasure of meeting. God bless the family and my prayers are with you in your time of need and loss.*

“ When I was in THS Band, even though I was a teenager, I thought it was quite exceptional that Mr. Clement served us and helped us even though none of his 3 boys were in the band at the time. Whether it was volunteering to drive our bus to a football game or marching competition, OR helping out with (or leading) a pancake breakfast fundraiser, he was always happy to be there and very encouraging to all of us. I'm grateful for his example and for his commitment to our school and community.
