“ Oh how you left us so soon. I know we didn't really talk much in
school, but one I do remember is that you always asked me about
some gum lol. It was like you were watching me to see if I would dig
up some gum in my purse secretly and you always caught me lol .
You are loved by so many wonderful people and are going to miss
you terribly. We may never understand why the good Lord took you
so soon, but that's OK cause we know you will be safe and in good
hands. Fly high buddy . We will see you again one day . Rip Axel 🥺
