“ *I remember walking in to Ebenezer Baptist church and Barbara would be the first big smile I saw she always gave big hugs every time I saw her. I'm not sure if she realized it but she was such a blessing in my life at the time. She was always so kind. Lot's of prayer for the family you are all in my thoughts and prayers.*

“ My best friend that I have known for almost 6 years spent all six years telling me about her momma. She always had stories to tell and a smile in her heart. She told me once that every time her momma would call she never asked how the kids were but instead said how is Katelyn? How is Bianca? How is Joshua? How is Miya? How is Aubrey?! I always thought it was precious that she would ask about them individually 😊 I also remember the panic she had the year the tornado swept through their neighborhood and she couldn't get them on the phone to find out the tornado hit their house. She cried in relief when they survived it. I never had the privilege of meeting her sweet momma but through my best friend I learned so very much. Many prayers for every day ahead as each of her family and friends try to live a new day. May God wrap his arms around you all and give you comfort and peace knowing she is safe and without pain in her heavenly home.
