“ Sis. Bea, you brought so many happy moments to the lives of my family in the short time we've known you. I remember walking into church with my family for the first time and your face being one the first faces I saw with your warm, welcoming smile. Your hugs were so warm and inviting and just to see you praise God with the strength you had was a testimony for many to see. You were a true example of holiness, faithfulness and kindness. Life in Christ is eternal. You have a new address now on heavenly lane. To your family, may all the warm, special memories you shared with her stay with you and bring you comfort and peace for the days ahead. You're in our thoughts and our prayers. Love, The Williams Family.
