“ Sweet Becky...you were nothing short of a big sister to me. You are the one that took me to get my driver's license and many of my life events included you. You could make me laugh more than anyone and you always gave me great advice. So many stories come into my head of adventures that you and I had that were hilarious. I will never forget you. I am sure I have told you this 100s of times in my life and I am asking you one last time---Save me a Place up there :) I love you girlfriend.
