“ Oh Ms Betty, I am so sad knowing you have left this world. I learned so much from you as a volunteer and board member for Hospice of Limestone County. You and your family did so much to support us. You were always so faithful every week. I loved your laugh and when you and your sister, Louise were together, your laughter was the best medicine ever written. I hope God enjoys your laughter as much as we did. God, please look over Norman and the rest of your family. Love, pam smith
