“ I remember Betty so fondly from my childhood and even teen days and what I remember the most was her truly unique personality. If you couldn't smile from ear to ear with Betty around then you couldn't smile! There are so many that I love who will grieve her going on without them so soon until the end of their days. To my Hudson cousins, my Aunt Jane, and to Betty's family, I pray for peace for all of you as you learn to live without your dear wife, mother, and friend.

“ One could not get to know Betty and not love her. Her humor and kindness will be greatly missed by all who knew her. We are sad we will not see her again here, but hope to see her again in our heavenly home. (1Th 4:13 But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope.)
Our sympathy and condolences to Bro. Carl Loyd and the rest of the family today and in the hard days ahead. You are in our prayers. We know there will be a great loss in her physical and spiritual family.

We need him, I'm not ready to lose two of the most influential people in my life!!! I love you a bushel and a peck, a hug around the neck, a barrel and a heap, a kiss upon the cheek and I'm walking in my sleep over you!!!! I pray one day we will all be reunited! RIP my Nana, you truly were not only my Nana but my best friend and privelage to help you these last 6 months and there are memories i wouldn't give for the world!!!!
