“ We are so sorry to hear of Betty’s passing. She was so precious and always friendly to everyone. We remember the good times at all the baseball games. Once when I was visiting Sardis Springs with our Mother, I was talking with Betty and she looked at Mamma and said, “I believe she is tired and ready to go.” When we lost her a short time later, that helped me so much. I will always appreciate that. God bless you all with comfort and peace.

“ So very sorry to hear of Betty's passing. She was a dear friend to Mother. So many memories of her during our childhood both with the beauty shop, church and ball games. She was a wonderful Christian lady and a great influence to both of us. Sending our love to the family.

“ So sorry to hear about your Mom, she was one of those "special" people at Sardis Springs that seemed like family. She fought a hard battle but she is safe in the arms of Jesus now with your dad, and my parents and many others from our Sardis Springs family of long ago!! we loved Ms Betty and sorry for your loss.
