“ Gary and Tracy
I just want you to know that I am really sorry about your mother. But just remember that she won't have to do any more suffering where she is going. I am sorry I didn't make it to the funeral home for visitation but I am down in my back. I am going to try to make it to the funeral if I can. I will be thinking about you and remember you in my prayers.
With Love, Biddy.
