“ *Benny and I played basketball against each other in junior high, he at Owens and I at Belle Mina. We then played together as teammates at Athens High School. Benny was a gentle, modest person even though he was an excellent athlete. There is no question that he would have played college football if not for a knee injury while playing it in high school. He was a good teammate and a good person. My deepest sympathies to his family.*

“ Words cannot express my profound shock and sorrow upon learning of Benny's death. A former classmate whose friendship over the years has been most encouraging. He was simply who He was: Kind, Gentle, Competitive, Generous and Faithful to his family and God. What a great testimony! My prayer is for God to raise up others like Benny George. To this good family, I express my deepest sympathy. May the God of hope grant all of you joy and peace during this very difficult time. My love to all of this good family.
