“ *Blanche gave a large portion of her life taking care of terminally ill patients. Our Grandmother was one of those people. I sat up with her all night as she cared for our grandmother the last night of her life. It was an honor to watch her work and to spend the time with her and our grandmother AKA mawmaw. Blanche and I stayed in touch for years while I lived in Ohio and we had some of the best conversations . I treasure those times and so glad I have those memories. Blanche you will be so missed here but I know our family will be waiting for you. So God Speed! Love you and I will see you again!*
