“ Bobby, I am so, so sorry to hear about your mom. I have been out of pocket and just heard the news. Bonnie was fun to be around and always had a smile on her face. I will miss her a great deal at our polling place. She kept me on my toes and also was an encourager. She will be forever missed!

“ To those of you who loved and cherished Bonnie, we send our deepest sympathy to you. She was a precious lady and we enjoyed being her neighbors very much. We never saw her with a frown. Her face was always lit with a smile and she never spoke a cross word or spoke bad about anyone. We send our love and prayers to her family.

“ *Bobbi, Grayson, and family,  
I was so, so sad to hear of your mom's passing. She was a wonderful lady and I so enjoyed knowing her. We talked several times during the illness of your dad, Robert and my husband Tom. They worked together at NASA and were good friends. I saw her before Christmas and we enjoyed a good visit. God bless you all during this sad time. My love to all of you.*
