“ *Brenda I will truly miss you. Thank you for welcoming myself and my two boys in your family 15 years ago. You loved Zachary and Nicholas as if they were you flesh and blood. You was a great grandmother to them and when Kelsey was born she became your world thanks for everything you did for her when Chris and myself was working , from taking her to ball practice and everywhere else you took her. I love you and I'm going to miss you very much.*

“ *Dear Sweet Brenda ~ You were our first neighbors that we met when we bought our first home many moons ago. You were the epitome of what true friendship is. I will carry you in my heart forever. My prayer is that you have flown to Jesus and are now being held in His comfort and peace. I thank Jesus for allowing our paths to cross and I look so forward to meeting up with you again! I love you, my friend. xox*
