I am so sorry Doug . May my cousin rest in peace and fly high. She was a very sweet woman the little time I got to spend with her was a huge blessing she always made me laugh 😂 when she seen me her face would just light up and she always had a pretty smile on her face . Those memories I will always cherish . She may be gone but never ever will she be forgotten. Her legacy lives on and her smile will always be in my head. She was such a sweet woman to me and she would tell me everyday that she loved me . ❤️🥹💯 All I know is she went to Heaven but she did not go alone she is up there in Heaven with my daddy Ronnie Haggard and all the rest of the family . My daddy was waiting on her with open arms waiting to take her in his wings and show her all the beautiful things oh boy I bet you she is walking around up there and her and my daddy is talking away about us . Lord knows how much her and my daddy loved each other. I love you Doug keep your head up .I'm here if you need me .

Sincerely Chasity LeAnn Haggard
