“ Our mom loved the Lord Jesus Christ with all of her heart. And it showed through her love for her family, friends, her church and even complete strangers. She ministered the Love of Christ to just about everyone she met. She left absolutely nothing behind when she entered the glories of heaven on October 10, 2023. We will miss her dearly but we all will continue to live off the impact that her life made on us. Thank you mom. We love you and can't wait to see you again one day.

*My 1st memory of Ms. Cecelia was listening to her play the piano at Heritage Assisted Living and Memory Care. It was always a special time when she sat down in front of that keyboard. Our lives are fuller because she was part of the Heritage family. Our Aunt (Lucy Gray) was also part of the Heritage family, she gained her wings August 17th, 2023.*

*To the Snider family, we are sorry for your loss. We miss them so much, but we will see them again one day...*

*I met Cecile through our common love of flowers--daylilies, to be exact! I bought plenty of them over the years from Cecile and Henry, and in the process we became great friends. Cecile always had a beautiful smile and what can you say about a woman who loves flowers, music, and Jesus with all her heart? That's a fine lady, in my opinion!--my thoughts are with all of you during this time.*
