“ *I've known Ken and Chana since High School. I have never seen Chana, without a smile. She was always kind and caring. The last time they were home Ronnie and I went to see them and so glad we did. Little did I know they both would be in Heaven in such a short time. Both well and healthy now and forever with Jesus.*

My parents and Chana's parents were best friends.i have known her since around 1st grade then after 7th grade we moved and I went to a different school. I know she was admired by all. I talked with her after the tornado hit her home she shared alot of things with me and sent pictures of our parents together. She was a kind and beautiful person. Prayers for her family.
