“ Mrs. Holt, I had the pleasure of knowing Charlie when I worked at MRA. I always loved seeing him when I went there because I knew I was going to get a hug and a kiss from him. I also knew I was always going to get a Roll Tide as well. I, as I am sure everyone that ever came in contact with Charlie felt, that I was blessed and honored just by being able to be a part of his life and by just being able to call him my friend. If there were more "Charlie's" in this world, it would be a much better place to live. He will be greatly missed. I would also like to thank you for being such a great mom to him, because of your involvement with Charlie and The Birdie Thornton Center, you also have blessed a lot of lives. You and your family will be in my thoughts and prayers. If you need anything, I work at the Mental Health Center there in Athens or you can contact me at the email address that I entered on here. Again, I am sorry for your loss and may God bless you.

With Love,
Erica Jefferys

P.S. Hey Charlie...Here is one more Roll Tide Roll for you buddy!

“ Dear Charlie,

By any standard your short life here on earth has been as arduous as any and in fact many of us, here on earth, whom were lucky enough to have known you should have taken the encounter as a lesson that whatever we are given no matter how limited, it may seem, are gifts.

Now that your task is completed we pray it is the will of God that you will pass from here where His grace shall protect you for all of eternity in His Kingdom...

May God Bless you, and continue to bless the family and friends left behind
