“ *Medora and Angie,*

*It has been so very long, but I have very fond memories of Hoot. I remember how he took me out on his motorcycle, and how he always made me feel welcome at your home and in your church. But what I remember most is how much he loved you both. I will keep you both in my thoughts and prayers.*

“ Medora, Angie, and family, you have my deepest sympathies. I learned more about being a good man having coffee with Hoot and Buck in your kitchen than anywhere else. I always enjoyed those simple times of fellowship and cherish those memories of both of them. Yes, Hoot could fix, build, and modify just about anything. I have spoke often about the time he built the snowblower out of that 500ccd Honda motor. If I remember right, it would blow snow clear over your house. God bless everyone and I hope he can ease your pain.

Love Tom

“ Finding the right words to express how much I thought of "Hoot" is almost impossible. How do you put such fond memories into simple words? When I think of Hoot my mind first goes back to when I was young and him tinkering in his garage. He was ALWAYS fixing something and making it bigger, better or faster. :-)  
I also remember Hoot as a man of God. Church every Sunday! I attended church with the Moore family and was baptized with Angie. Hoot ALWAYS had a smile on his face and a laugh that was infectious. I can't leave out the fact that he and my Dad has coffee (social hour) EVERY night for years on the deck. That was TRUE friendship! We can continue on knowing that we have two wonderful angels looking out for us. I look forward to the day that I can see their smiling faces again and give the both a huge hug.

ME

“ This is the beautiful poem read at Houston's funeral by Bro. Guy McDaniel.

*MISS ME BUT LET ME GO*

*When I come to the end of the road  
And the sun has set for me  
I want to rites in a gloom-filled room  
Why cry for a soul set free?*

*Miss me a little-but not too long  
And not with your head bowed low  
Remember the love that we once shared  
Miss me...but let me go*

*For this is a journey that we all must take  
And each must go alone.  
It's all part of the Master's plan  
A step on the road to home*

*When you are lonely and sick of heart  
Go to the friends we know  
And bury your sorrows in doing good deeds  
Miss me but let me go.*

\*\*\*\*\*

*This title will be inscribed on Houston's tombstone.  
Thank all of you so much for the beautiful tributes you have  
submitted.

“ My beloved grandfather will always be dearly missed. He has always thought a lot of me, and I've always thought a lot of him. He was everything I've always wanted to be. I was truly devastated when I heard of his passing, but I know he is in a better position than he was. My grandmother is having a hard time living without papa, but she said she's gonna make it. When I saw him lying in the casket, I knew he was finally put to peace. I wish it wouldn't have been so soon, but now he isn't in pain and agony. My grandfather, Charles Houston Moore, is now in heaven with Jesus. Even though I wish I could've said my last goodbyes, I'm grateful that he passed in peace.

“ I am so sorry for your loss. May "the God of all comfort" (2 Corinthians 1:3,4) comfort and soothe your heart. His promises, found in the Holy Scriptures, can offer much hope. It assures us at John 5:28,29 that our loved ones will be remembered and brought back to life in the resurrection. Please allow God's Word to strengthen you and help you to endure this most difficult time.

“ Medora&Angie  
I'm so sorry for your loss. Houston was such a good friend and like a father to me in the elevator industry. There's not a day that goes by that I don't think about him. He was a great guy, and I will miss the way I used to get him laughing

“ I've missed Hoot since you all moved down South. He was the best fixer upper man that I've ever known. He could and would fix anything. He helped me many, many times fix things on my truck when it needed it. I've missed Hoot for a long time. He was one of the kindest men that I've ever known. A gentle giant of a man. Hoot always was willing to lend a helping hand in the neighborhood, here in Lawton, Michigan. I never saw anyone who could drink coffee as much as Hoot. All day everyday Hoot drank coffee. He was one of the best men that I have ever known in my life. He will be greatly missed even more now.
