“ *The messages are wonderful and we appreciate each of them.
Thank you for celebrating his life with us, and in turn helping us to
deal with losing such a huge part of our family. I've heard him called
many things over the years, but I call him 'Day'. I do and will miss
Day until I take my last breath. Please continue to keep our family in
your prayers, as I'm sure the days ahead will only be harder. What
has seemed like a 'dream' is rearing it's ugly head as the 'reality'.
When you hear a song about a trucker, think of him. When you see
an elderly person outside, sitting alone, stop and talk to them a little
while. His visits meant so much these last few months. Much love to
you all. ~Nicole*

“ *What a wonderful man he was! I'll always remember how
welcoming he and Mrs. Powell made me feel. He was outspoken
and told you how he felt and I admired that. He and Ricky and I
used to walk on Powell Road (long before it got so congested) and
we shared stories and laughed at his jokes. Those were some good
times. God bless all of the Powell family. You are in my prayers.*

“ I was the neighbor child down the road who was left home most days and evenings. I became friends with Mr. Powell's grand daughter, Nicole. He was a surrogate grandfather. Always teasing but looking out for me. Those kudzu monsters still scare me! You will be missed. Till we meet again....

“ *My uncle, Una as we always called him, will definately be missed. Some of my favorite childhood memories were at his home with my Aunt Ann and cousins. He was always so much fun and always laughing and playing jokes on us kids. There is a special place in heaven for "Una" for sure.*

Goodbye my precious uncle.

Love you
