“ Every time I was in Athens checking on our accounts and employees I would find Chris at Walmart stocking our store and talking to everyone that came by. I don't believe Chris ever met a stranger and was always proud to help sell one more case of Pepsi Cola products to people in our stores. He was a true Pepsi Cola employee, family man and a friend to me from the first time we met. He will be truly missed from all of our Pepsi Cola family. May God bless all of your family. “ King Fresh will be deeply missed. His smile, I will miss his smile. To his wife I offer my deepest sympathy, to his beautiful, beloved girls I offer my deepest empathy, to his Mother I offer my deepest condolences. My words are pointless, compared to the pain you all feel right now. I pray for strength, courage and love through our most gracious Heavenly Father and his son, Jesus Chris. Amen
