“ *My condolences go out to her son Kolten and her family and friends. I first met christy along time ago when she was my sons football mom on the team he played for in Athens and we got to know each other and then she invited us over to her house one night for the Alabama game. She was a joy to be around. She was a good hearted person who would give u the shirt off her back for you. She def fought a good fight. Rest easy bby girl. You def deserve your wings!!*

“ The one memory that keeps sticking out right now is Christie and I (along with a few more) climbing the water tower (we almost made it) and Granny Lou coming after us .

“ We had gotten very close in the past few months. She would never tell me bye, she would just say Love U. So I will not say bye just I love you and will see you again someday and all the rest of our loved ones who have gone on. My greatest comfort is knowing she is no longer in pain and not struggling to breathe. Fly high Christie Kong! Your loving Aunt Giner Kay.
