“ *I am truly sorry for yalls loss! Chris was like one of my own boys...Every time I seen him he was always smiling regardless what he was going through. I always told him to pray to God to give him guidance..Chris was always respectful! When I think of Chris I see him in that cowboy hat he had and his guitar in his hands. I pray that God wraps his arms around you all and gives you the strength and comfort to get through this difficult time. Chris is now everyone's Guardian Angel with no more worries or pain in his heart...He is set free of all his demons and flying with those Angels...I will miss you popping in and out here at the house Chris....However, I know you are in a better place and watching over your loved one...RIP son and we love you!!*
