“ Chris,
You were a kind young man with a very gentle spirit. You were so much help to me so many times & I always enjoyed your visits. I am glad our paths crossed in this life because not knowing you would have been a joy I would have missed. I will never forget you.

“ Chris Reece as i believe was my father i never got to spend time with him and i was never able to make memories with him but from the story's i've heard he was an amazing man and father i wish i could have went fishing with him and i wish i could take him instead of a picture to the daddy daughter dance but i was too late and i remember my emotions when my mom told me on my 10th birthday i stayed at his grave for 3 hours speechless but i love him a-lot and i miss him more than i've ever missed someone before
