“ *Cindy took care of me when she worked at the nursing home I am resident. The world would be a better place if more people were like Cindy. She was so young but yet so wise. This is such a. Hard job but Cindy did it with such respect, dignity, and grace. We haven't lost Cindy she is alive and well in heaven! The very essence of who Cindy is lives on because the soul never dies! Continue prayers for all. May the peace of God wash over you during this time of sorrow.*
