“ I often leave a funeral with thoughts about my life....Mr Smith was my neighbor and friend for @2-3 yrs...a short time of his 86yrs...after hearing his grandchildren and pastor speak during the service...i have to say Bro.Cliff was who he always appeared to be...just saying "he was who he was"...the way he acted believed and revealed in our talks....comforted me after my cancer surgery....soft spoken...kind...so thankful...grateful and loving toward his country his church and his Lord.... I left the service today wishing i could be half the man Clifford Smith was....I'll miss his laugh but he now is reunited with his bride enjoying the comforts of heaven...🙏
