“ So sorry to hear of Conita passing. I worked with her at St.Peter Villa. She was over Human Resources, who hired me. I always remember her for having what I thought was a sunshiny smile. She always brightened my day when I saw her smiling. Thank you Conita, for all the help you gave. Smile on.

“ In Al-Anon meetings in Collierville, Tn, I recall how Conita could share about life's struggles, often, with a sense of humor that almost always had me laughing. I admired her ability to see life and to share it with us from that point of view! Steve P.

This is interesting. Conita was over Human Resouces at St Peter Villa, who hired me. I remember that day telling her about a DUI, over 5years, I had once had. Even though the application said list any under 5years I wanted to be honest and tell her this. I was a little scared, but she just looked at me and said if they were to hold that against me, everyone would be guilty of the same. I was so relieved. Conita always had a sunshiny smile that made you feel the world was alright. Never once had a problem with her, in my 18years working there.

“ *My daughter and I both worked with Conita in Memphis. She was an amazing woman and fought her cancer for a long time. She really loved her kitties and her flowers 🌹. She shared the flowers with us at the Villa. My daughter Jamie went to heaven just last week and I know she was there to welcome Conita!! Prayers and hugs for Steve and her family. She is at peace now!*
