“ *I grew up in Birmingham with my cousins, Chris, Curtis and Bonnie. Curtis was always such a happy boy and this continued his entire life. He loved to tell me about helping with the church bus. He always had many stories to tell. Bonnie, you have been the best sister any brother could ever have. We will see Curtis and Uncle Al and Aunt Annie Ruth again one day. What a glorious celebration that will be. Love you, Jean*

*To know Curtis was to love him. I loved his quick wit, knowledge of endless things, his love of his family and friends. Curtis is missed and loved.*
