“ Shannon and boys: So sorry for your loss. Just know you are in my thoughts and in my prayers as is the rest of Danny's family. Such a valiant fight he fought against a foe that cannot and never will fight fairly. If it had been a fair opponent, your love for each other would have defeated it before it had a chance to get started. Give yourself and each other hugs from those of us who cannot be with you at this time. Just know you are loved.... Aunt Yvonne.
