“ Buz, Max and Bonnie, my thoughts and prayers are with you during this tragic time. Debbie loved each one of you and was so proud of you kids! We became instant friends when I began work at the Wallace Center. That friendship carried on after we went our separate ways. There were so many memories that I will carry with me and hope you are able to do the same. She was such a caring and giving friend and has gone to her eternal home where I know I will be reunited with her one day! Debbie Bishop
