“ *Debi was a loving and friendly person. I first met her at Osborne's Jewelers in Athens. We started a friendship almost immediately. After meeting her I also found out she rode a Harley and was in one of our social groups. I will miss seeing her smiling face and talking with her.*

“ *~ Debi & Gates family,*

I pray for strength & peace for your family in this difficult time. Debi was that will never meet another person like her type of gal!! That beautiful smile, that would light up a room, and beautiful personality to match that pretty red lipstick smile! I am so very thankful to have met this beautiful soul! She helped my husband and I pick out his wedding band within a few short days of our wedding in 2014- as nervous as any bride to be would be-we ordered a beautiful wedding band for my husband & she reassured us we would have it before our special day!! Even if she had to hand deliver it herself! Well guess what - our ring came in & as she said she hand delivered it! As she handed us the ring, she gave us her blessing! Scottie and I were so thankful for this moment! She was an angel that walked the earth & touched so many lives... now she has her wings! A beautiful angel she will be!! God bless your family.

*Condolences sent with love,
Scottie Thomas, Kelly Thomas and Raylynn Thomas ❤️*
