“ D.... I leave this Purple candle of Love for you..... That's how I will always remember you..... During our visits ..... with all the things you had going on in your medical history & the stories you shared with me.... you never complained, always smiled & talked about how God did things in everyone's life for a reason.... and how you were ready to go to Heaven....when your time on earth was up..... Your smile & kindness always lit up a room.... I could feel how much you love your family.... during our visit..... .last month.. .. saying what a wonderful husband LP has been .... always doing things for you & you telling me how much you loved Larry, your sons..... and the grandkids and how one day you hoped you'd get to go to Heaven..... Sweet D, I think you're walking the streets of gold now..... I will miss seeing you on Earth..... but I will see you again in Heaven one day.....until then  
I will say , Later , my friend.....
