“ Dennis, Jeff, Bill and Peggy moved into the house across the street from me when I was in elementary school. I've known him and considered him a friend, ever since. Though we have had lives where we weren't around each other very often, I often thought of him and Jeff and the times we enjoyed back then. I was just telling a story about stuff we used to do to some people, last week. Had no idea he was ill. He will be missed. Rest in peace, old buddy.

“ When in Jackson ,WY, Dennis and I went to a clay pot making class. We tired to make a pot but we took more clay home on our clothes than it took to make the pot . We laugh so hard at each other . It was time I shall never forget.
