“ Dot was one of our family's most favorite people in the world. Almost all my birthday cakes as a child were made at her hands. I don't remember a time without her smiling face, encouraging me when I saw her. Such a blessing growing up with such a special family who holds such a special place in our hearts. Due to illness (I was very sick with a cold) and Mama's recovery from 2 heart surgeries (in Rehab now). Ted, Mama and I were unable to attend. We would love to send our love to each one of you during this time. You are our forever friends with such special place in all our hearts and memories. Please know you are in our thoughts and prayers.
