“ *As a boy playing sports, aside from my parents, I always looked to key people to encourage me and make sure I arrived at the ball park or field. Doris and her family were always willing to make room for one more. Their kindness and love continues to help me be a better man to this day. I am grateful to so many, including Doris and JW for always including me and making me feel like family. I am honored to be able to share the Word alongside other ministers today to honor Jesus and Ms. Doris McKinney.*
