“ Eddie was the first to say hello and the last to say goodbye when you came to the church building. Always a smile and always a reminder of God's love for His children. Such a good example!

“ To Eddies family, I am so sorry for your loss of Eddie. There was never a kinder man I've known of. He and Patricia were so involved in our little Piney Chapel community it was amazing to see 2 people devote their lives to it and was admired by all. He will truly be missed by all. God bless you.

“ I went to Piney Chapel school with Eddie from around the 5th to 9th grade. We were good friends, discussing hunting, fishing, and other teenage topics. High school separated us until about 10 years ago when we reconnected on FB. I remember the good times we had and glad I got to renew our friendship even over 600 miles apart. Also pleased to know he was a Christian and attended Sardis Springs church of Christ. May his family be comforted with the knowledge that God's word is true and he is faithful to his children who live by his word and provides a rest.
