“ Edra Ann was an amazing lady. I was the youth pastor there for 3 years. I remember a lot of youth trips she went on as a chaperone. Then we'd have to chaperone her...😁 One trip I remember especially well, it was when the Newsboys invited her on stage... then they couldn't get her to leave the stage. She was definitely the life of the party. I know she will be missed but she surely lived a full life and was never ashamed of her Lord and Savior, Jesus Christ!!

“ *Edra and I sat right next to each other every Sunday I could be there and didn't have to work. She and I would giggle and talk in between songs. She leaned in to hear me sing everytime worship service would start. And every time I was there she would push me to join the choir. She was an amazing lady and was the first one to welcome my family and I when we first started going to Sardis Springs. I will miss seeing her face in the pew next to me.*
