“ *Our hearts are filled with prayers for Colton's family. Cheyanne and Dylan, you are continually prayed for. God's Word says "He will comfort all who mourn." You are not forsaken in this time of your great loss. You will miss Colton greatly but may it bring you some comfort and peace knowing that Colton gets to sit in Jesus' lap and rest his little head on Jesus' shoulder. Colton is so loved by our Lord. May God's presence surround you and bring you peace.*

“ There are no words to express how sorry we are for the loss of your child. We do know that you and your family are experiencing a level of pain and loss that most people can not imagine, and never experience. Please know we are praying that God will bring you and your family comfort. A child is a gift from God. Some are chosen to walk this earth while others are specially chosen to become Little Angels in Heaven. But, remember a mother's love is also a gift from God. Although, your time for cuddling and comfort for Little Colton was limited " HE WAS LOVED", and God will leave you and yours with the gift of memories to treasure a life time.
