“ We are so sorry and saddened to hear of Sue's passing. She was always such a positive and giving person and she will be missed by those whose lives she touched. During her time in Arlington, Virginia, she was the caretaker for so many of the neighborhood children while their parents worked. Sue's loving imprint on their early lives lives on. Her biggest legacy though is her close-knit extended family and the memories from many wonderful years spent together. Thinking of you all and wishing you peace.
