“ Dear Nancy and family. I was so sad yesterday when I heard about your mother's passing. While I never had the opportunity to meet her, if she was anything like you, then she had to be such a sweet, kind, and awesome person. I know you will all miss her terribly, but she will always be with you in spirit as you recall all the wonderful moments you had with her. I love you Nancy, and look forward to our friendship in the future.
