Beth lived for 57 years and enjoyed every day of her short life. She devoted her life to educating others, with hopes of being a bright light in a child's life. She loved teaching children to read and found her happiness in her classroom.

Beth was always an early riser, and when her feet hit the ground, you had better watch out. She loved being outside in her flower beds, and was always finding an excuse to entertain at the home she and Lynn shared. Beth had a love for her children that was truly unwavering. More than anything else, she

loved spending time with them.

Beth led a successful career at TVA where she was a project manager for 8 years. She thrived in the environment there and touched many lives along the way. She was the most kind hearted woman who truly had a love for the life she had been given.

“ Beth so graciously offered to host our wedding at her home around her pool. She worked so hard cleaning, organizing, weeding, etc. so our special day would be memorable. We had such fun creating a "signature" cocktail to commentate the big day. Bo and Mckenze bartended and Lynn had the yard in top shape to truly make it a family affair.

Late in the evening after the guest had left and only the wedding party and cleaning crew remained, we all jumped in the pool with our clothes on and drank champagne. Doesn't get much better than that. In fact it was so fun we ended up postponing our Paris honeymoon for three months to give us time to recover. 🤦

I will truly miss the summer evenings we sat outside enjoying a glass of wine; watching the sun slink down and the fireflies magically appear. Whenever I sit out there I will think of her and miss her, but she will always be with me. I could not have had a better friend and neighbor.

“ Was so sad to hear of Beth's passing. I hope all of you find the peace and strength you need to get through this time. Beth was so much fun to sit and talk with at the Sunset Club Pool. We all had such a good time back then.....parties and get-togethers constantly. Will always have such good memories of her. Peace & Blessings to you all, Terry Greene-Martin

“ We are so saddened by the shocking news of the passing of "Miss Beth." She was a very caring and helpful co-worker at Browns Ferry and always had a very pleasant smile when she greeted anyone. She will be missed.
"Requiescat in Pace" Miss Beth! Our prayers go with you and your grieving family.
