“ Only one word to describe the likes of Beth. Family. Growing up around Athens and being in the company of the Jennings family, we were all treated like we were family. So many stories and memories of Beth and all her siblings, her parents, I am so glad I was just another one of their bunch. To Beth's own immediate family, my prayers, my thoughts, my concerns I extend to you. And to all, my love for the friendships we made, the good times we had and the sharing of our lives with each other. God's Blessings on everyone.
