“ Oh we loved Jean and John! My husband, Richard, worked with John at SCI and also helped him with many of his construction jobs. John taught our daughters to swim while Jean provided drinks, snacks, laughter and kindness. I was looking through pictures last night and discovered pictures of a pool party they had at their house. They seemed to thoroughly enjoy having friends and family over. I have some some Jeans handmade ornaments. I remember when Jean had her open heart surgery, we sat with John at the hospital, he was so nervous waiting to hear if his love was ok. I regret, due to Richards cancer battle of 5 years, we hadn't seen Jean and John in many years. Now the three of them are in Heaven together. I'm so glad I had the opportunity to know Jean.

My sincere condolences to Jean's family and friends, she will truly be missed.

I hope you see this.
