“ *I just watched a movie with this little Angel as the Star. In looking up her info, I found her obituary. So beautiful, so talented. God must have needed her to help him in heaven to take her up to heaven at only 10 years.*

“ Love and prayers to the family. I'm so glad I was able to help at school while Emma was a student. She was a very bright little girl. I will always remember when we played kickball at break, Emma always played! She would tell me, "Mrs Sharon, even if I get out, I just want to run the bases." I'm going to miss you 'Emmer'. Love you
