“ Grandpa, you served your country proudly and raised an amazing family! Yet, your impact doesn't end there. Anyone who met you, admired and loved you! You were a man of God and lived your faith daily. Your legacy, memories, and passion lives on. Give Grandma and my Godparents a hug for me! Until we meet again... I'll look for you at the end of the dock with your endless beautiful mornings. I love you!

“ Ernest, you leave a huge hole in everyones heart that had the privilege to get to know you and love you. We were honored to come to your home and share a huge spaghetti dinner with you on the most beautiful spot on the river. We sat for hours on the river bank sharing stories. You may have been of small statue but in our eyes you were a stellar man. You served your country well and had an amazing wife Norma and beautiful children. One could listen for hours while you bragged about them all including grandchildren. We are sure you are at peace now and in the arms of your true love. Until we all get together again, love Linda and Michael
