“ Dear Aunt Eva thanks for all of the little things you have quietly share with me through the years! I'll always remember you telling me as a little girl that when leaves on certain trees turn backwards that it will rain!! I have shared this tidbit with Harrison and Adam . I think of youwhen I notice leaves bending back! Gene and I will be grandparents in May 2019, Adam and Diana will bless us with this child! Harrison and Adam have both said heaven is getting the best chicken and dumpling maker!! Go in peace with your loved ones! I am honored to be your neice! Angela ❤️
